Safety Data Sheet

1. Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

Product name: Cyanine5.5 amine
Catalog number(s): 170C0, 270C0, 470C0, 570C0, 670C0
Substance name: Cyanine5.5 amine
Molecular formula: C46H58Cl2N4O
Molecular weight: 753.88
CAS number: N/A
EC number: N/A
REACH registration number: N/A

1.2. Relevant identified uses of the substance or mixture and uses advised against

Analytical reagent. Reagent for research and development.

1.3. Details of the supplier of the Safety Data Sheet

Supplier: Lumiprobe Corp.
1835 E. Hallandale Beach Blvd. #221
Hallandale Beach
FL 33009
USA
+1 888 973 6353
order@lumiprobe.com

Lumiprobe GmbH
Feodor-Lynen-Str. 23
30625 Hannover
Germany
+49 511 16596811
de@lumiprobe.com

1.4. Emergency telephone number

+1 888 973 6353 ext 2; +49 (0)511 16596812

2. Hazards identification

2.1. Classification of the substance or mixture

The substance is not hazardous according to EU regulation (EC) No 1272/2008, and it does not contain any hazardous substance at more than 1% by weight. US Export Control Classification Number (ECCN) - EAR99 - The substance does not require a license.

2.2. Label elements

Not applicable

2.3. Other hazards

No other hazards identified

3. Composition/information on ingredients

3.1. Substances

Product name: Cyanine5.5 amine
CAS number: N/A
Weight %: >95 %

3.2. Mixtures

Not applicable.
4. First aid measures

4.1. Description of first aid measures

General notes  
Wash thoroughly after use.

Inhalation  
Move individual to fresh air and seek medical advice.

Skin contact  
Wash affected area with water for 15 minutes and seek medical advice if irritation occurs.

Eye contact  
Flush eye with water for 15 minutes and seek medical advice if irritation occurs.

Ingestion  
Seek medical advice.

Self-protection of first aider  
Wear protective gloves.

4.2. Most important symptoms and effects, both acute and delayed

We are not aware of any reported health hazards for this product.

4.3. Indication of any immediate medical attention and special treatment needed

No immediate medical attention or special treatment indicated.

5. Firefighting measure

5.1. Extinguishing media

Suitable extinguishing media  
Depending on the surrounding fire. The substance is not flammable.

Unsuitable extinguishing media  
Not known.

5.2. Special hazards arising from the substance or mixture

No special fire hazards.

5.3. Advice for firefighters

No specific precautions arising from the substance.

6. Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

For non-emergency personnel avoid breathing in dust. Wear gloves and safety glasses.

For emergency responders avoid breathing in dust. Wear gloves and safety glasses.

6.2. Environmental precautions

Avoid release into environment and sewage water system.

6.3. Methods and material for containment and cleaning up

Small spill  
Sweep up spilled substance promptly and dispose according to local regulations.

Large spill  
Avoid dispersal. Sweep up spilled substance promptly and dispose according to local regulations.

6.4. Reference to other sections

See Section 8 for information on appropriate personal protective equipment.

See Section 13 for additional waste treatment information.

7. Handling and storage
7.1. Precautions for safe handling
Wear protective equipment as specified in section 8.
Do not eat, drink and smoke in work areas. Thoroughly wash hands after use. Remove contaminated
clothing and protective equipment before entering eating areas.

7.2. Conditions for safe storage, including any incompatibilities
Storage: 24 months after receival at -20°C in the dark. Transportation: at room temperature for up to
3 weeks. Avoid prolonged exposure to light. Desiccate.

7.3. Specific end use(s)
Analytical reagent. Reagent for research and development.

8. Exposure controls/personal protection

8.1. Control parameters
No occupational exposure limits known.

8.2. Exposure controls
Appropriate engineering controls: Work in a fume hood.
Personal protection: Work in a fume hood with usual precautions.
Eye/face protection: Wear safety glasses.
Skin protection: Wear chemical-resistant gloves. Wear a lab coat and appropriate shoes.
Respiratory protection: Work in a fume hood
Environmental exposure controls: Do not drain into sewage system

9. Physical and chemical properties

9.1. Information on basic physical and chemical properties
Appearance dark blue powder
Odour Odourless
Odour threshold Not available
pH Not available
Melting point / freezing point Not available
Initial boiling point and boiling range Not available
Flash point Substance does not sustain combustion.
Evaporation rate Not available
Flammability (solid, gas) Non-flammable
Upper/lower flammability or explosive limits Not available
Vapour pressure Not available
Vapour density Not available
9.2. Other information
Not applicable

10. Stability and Reactivity

10.1. Reactivity
No specific test data available for this substance.

10.2. Chemical stability
The product is stable under normal conditions of storage and use.

10.3. Possibility of hazardous reactions
No hazardous reactions will occur under normal conditions of storage and use.

10.4. Conditions to avoid
No specific data.

10.5. Incompatible materials
No specific data.

10.6. Hazardous decomposition products
No dangerous decomposition products should be produced under normal conditions of storage and use.

11. Toxicological information
The toxicological properties of this substance have not been thoroughly investigated.

12. Ecological information

12.1. Toxicity
No test data available.

12.2. Persistence and degradability
No test data available.

12.3. Bioaccumulative potential
No test data available.

12.4. Mobility in soil
No test data available.
12.5. Results of PBT and vPvB assessment
No test data available.

12.6. Other adverse effects
No test data available.

12.7. Additional information
We are not aware of any ecological hazards arising from this substance.

13. Disposal considerations

13.1. Waste treatment methods
Waste should not be disposed of by release to sewers. Consult local, state or national regulations for applicable requirements.

14. Transport Information

14.1. UN number
Not regulated.

14.2. UN proper shipping name
Not applicable.

14.3. Transport hazard class(es)
Not applicable.

14.4. Packing group
Not applicable.

14.5. Environmental hazards
No.

14.6. Special precautions for user
Not available.

14.7 IATA/ICAO
Not regulated.

15. Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture
The substance is not listed under relevant regulations.

15.2. Chemical Safety Assessment
No Chemical Safety Assessment has been carried out for this substance by the supplier.

16. Other information

Date of issue/revision 31.10.2016
Version 1
